Annual Report 2019-2020

Healing Garden created to stay operational during COVID-19 Pandemic

Empower • Enrich • Educate

Dear Friends,

This past year has been like no other. Mercy Center rebranded itself to show more diversity, vibrancy and systemic change. Change came in many unexpected ways. Yet your commitment and support remained strong and constant.

The lives of so many families are forever up ended. Struggles took on new forms. Folks lost jobs, health care and so much more. Mercy Center services became more important than ever.

Your donations allowed us to pay for food, rent, mortgage, utilities and other necessary items to offset homelessness and keep families intact and safe. Sisters Academy is better prepared to learn both remotely and in-person with updated technology, including Chromebooks. While it will be different, we are excited for the new school year.

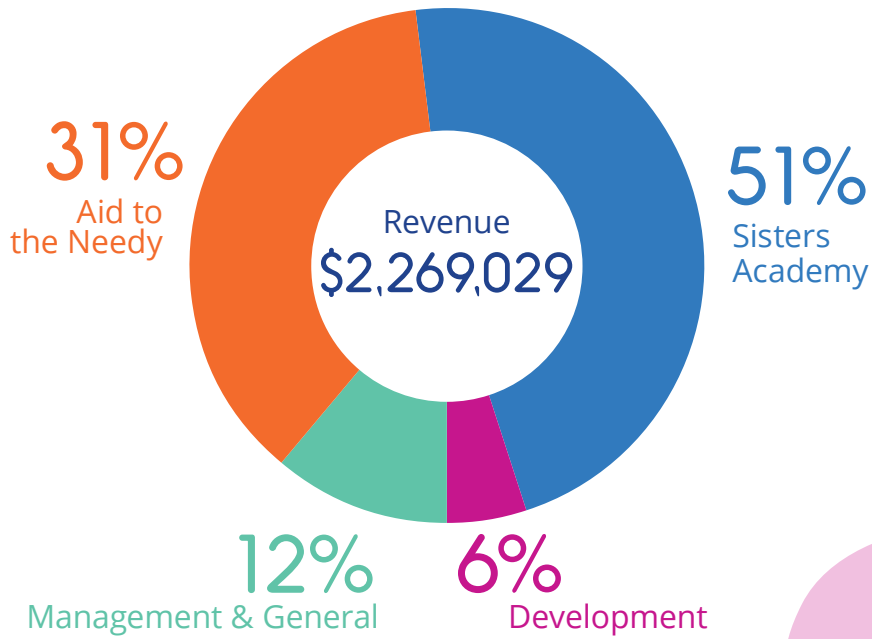

You have been steadfast in your support. Mercy Center has been able to assist families and students in any way that was necessary, and for this, I thank you.

In Mercy and Gratitude,

Sister Carol Ann Henry
Executive Director
